

WELCOME TO MAINE!

30,000+ SQUARE MILES OF

beautiful mountains, hillsides, cities and towns

MAINE IS ONE OF THE MOST RURAL STATES IN THE NATION

There are only **43 people** for every beautiful **square mile**.

MAINE'S WAY OF LIFE IS UNDER ATTACK

Activists are promoting the Transportation & Climate Initiative, or **TCI**.

UP TO **17¢ MORE** PER GALLON IN 1ST YEAR ALONE

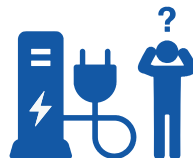

THE TCI IS JUST ANOTHER TAX

The **cost** of goods, education and services **go up**.

TRANSPORTATION INFRASTRUCTURE MAKES OUR LIVES & ECONOMY GO

Mainers **need cars** to get around. **Bikes** or **electric vehicles** do not work for most Mainers.

NOT HELPFUL IN REDUCING EMISSIONS

Maine's participation in the TCI would have **no measurable impact** on global temperatures or **climate change**.

NO BENEFIT TO MAINE'S TRANSPORTATION INFRASTRUCTURE

TCI funds won't go towards **Maine's multi-million dollar transportation shortfall**.

TOO RADICAL FOR OUR NEIGHBORS

NY, NJ, VT, and NH have already **rejected the TCI** outright!

Tell your lawmakers to say

NO to the TCI!

NO MORE SCHEMES THAT HURT WORKING-CLASS FAMILIES

Maine needs **solutions that work** for Mainers.
